Workshops	Date	Time	Location
Preparing For Statistics!! Worried about taking Statistics? Statistics may be a challenging class, but this workshop will give you the blueprint of the course and how to do well. Hands on problems will be presented and an understanding of the needed technology skills will be explored. You will discover what math topics and skills you will need to be successful from the start! During this session, you will have the opportunity to personally create a game plan with an advisor!	Saturday, 01/21/17	10:00 - 11:30am	Room 47 (Computer Room)
Get Peirce Techno-friendly With a strong foundation in the basics you will easily navigate through the Peirce Portal and course platform. Believe it or not, if you are comfortable with using the basic features of the computer, you will be able to figure out how to troubleshoot more complex situations based on these basics. A MUST FOR ALL!!	Saturday, 01/21/17	12:00 - 1:00pm	Room 47 (Computer Room)
Database Workshop Databases are arguably our Library's most valuable tools, and they can be accessed from anywhere with your Peirce login information. In this workshop, learn how to use the Library's most popular databases, which will provide you with all the resources you'll need for your course papers and presentations. Learn tips and tricks to find the best sources and information - whether they're articles, eBooks, or videos - in a short amount of time.	Wednesday, 01/25/17	6:00 - 7:00pm	Peirce Library
WOAR (Women Organized Against Rape) Women Organized Against Rape is a non-profit organization in Philadelphia, Pennsylvania whose mission is to eliminate all forms of sexual violence through specialized treatment services, comprehensive prevention education programs, and advocacy for the rights of victims of sexual assault. Attend this workshop to learn more about sexual violence and the array of services that WOAR can provide to survivors, family members and the community.	Thursday, 02/09/17	6:00 - 7:00pm	Rooms 51 & 52
